Process for obtaining access:

Permits are issued on a “per hunt” basis. **ALL** permits expire at the end of the nominated hunt dates and are renewable with each new application. This strategy requires more diligent planning by hunters to ensure that you can receive your permits in time.

First Hunt:

- Pay hunt fee – payment details above.
- Submit hunt application form via email or post **INCLUDING copies of current FA Licence, Game Licence, and SSAA membership**

In return, you will receive either by email your permit for the duration of your arranged hunt, and payment receipt.

Additional Hunt(s):

- Submit hunt application form via email only

Again, you will receive by email, your permit for the duration of your arranged hunt.

Permits MUST be printed and displayed on the dashboard of your vehicle at all time whilst onsite (by choosing to receive your permits via email you are taking responsibility to ensure that these are printed to be displayed as required)

On all leased properties, **SHOOTERS MUST WEAR HIGH-VISIBILITY ORANGE VEST OR HAT**
